

# It's the 1<sup>st</sup> Trek of 2019 - Sunday, June 23<sup>rd</sup> !!!!

We're very excited to be back on the road, exploring the highways & bi-ways.  
Looking forward to seeing you all on the first Trek!

Our "Ride with GPS" audio turn-by-turn directions make it so easy for everyone to enjoy the ride!

The Monte family started in the restaurant business in 1906 at Angelo's in Brooklyn. In 1956 they expanded to Gurney's Inn in Montauk. A few years ago they sold Gurney's and settled into Amenia, NY. In 2014 they joined forces with Chopped Champion Dafna Mizrahi and today, the Montes have reinvented themselves in the fertile Hudson Valley. Under the watchful eyes of Angelo "Chip" Monte (former Executive Chef at Gurney's Inn) and his wife Candice, "Monte's stands ready to continue in the footsteps of our ancestors. Our mission is, and always has been, to provide our guests with excellent family inspired cuisine, sourced locally and sustainably (to the extent possible), in an atmosphere of gracious hospitality and service, as has been our tradition since 1906 in Brooklyn, and 1956 in Montauk."
